

A floor plan diagram for Space 2A. The main area is a large, light pink rectangle with a dashed grid. On the right side, there is a staircase labeled 'STAIR' with a curved top and a central handrail. Above the stairs are two small rectangular areas with diagonal lines. At the bottom of the main area, there are two small rectangular areas with dashed lines and circles inside, possibly representing utility or equipment. The overall layout is simple and functional.
